

Position: Accounts Payable (Creditors)
Business Unit: Toyota
Location: Kuilsriver
Reporting to: Financial manager

Overview: Job purpose and deliverables

NMI is looking for a detail-oriented Accounts Payable (Creditors) to manage supplier accounts, ensure timely payments, and maintain accurate financial records. If you excel in processing, reconciliation, and working with deadlines, apply today.

Purpose of the role: The main purpose of this role is to deliver accurate and efficient administrative support by receiving, verifying, and processing supplier invoices. It involves ensuring payments are made on time, addressing and resolving payment-related queries to uphold positive supplier relationships. The role also plays a key part in ensuring regulatory compliance and contributing to effective cash flow management.

Key deliverables and outputs:

Reporting to the Financial Manager, you will be responsible for:

- Timely and accurate preparation of creditors' reconciliations
- Process creditors' documents
- File all creditors' documents
- Preparation of cheques and electronic payments
- Allocations of payments and invoices on Kerridge
- Follow up on outstanding invoices not processed
